CUSTOMER ADVISORY: COVID-19 UPDATE

CALIFORNIA DECLARES STATE OF EMERGENCY

March 5, 2020

Dear Valued Customer,

As reported in news outlets, yesterday California Governor Gavin Newsom declared a state of emergency after the first California COVID-19 death was announced.

At this time, we are not aware of any specific operational disruptions related to this announcement.

We will monitor the situation and provide updates as needed. Please contact your local APL Logistics representatives with questions.

Sincerely,
APL Logistics
