### South Asia

- **India (Tamil Nadu):** The southern state of Tamil Nadu announced stricter lockdown measures for five municipal corporations, including Chennai, effective April 26 through 9 pm on April 29. Over these 4 days there will be a strict 24-hour curfew with few exceptions. Our CFS operation in Chennai will be closed from April 27-April 29. We are working directly with any impacted customers and will continue to update as needed.
- **Pakistan:** Current social distancing measures in place have been extended to May 9 (article [here](#)). There are no impacts to operations.

Please refer to the [COVID-19 Operational Status Matrix here](#) for most recent detailed regional updates.
