### South Asia

- **India (Nhavasheva Port, Mumbai):** Nhavasheva CFS has restricted operations due to a sudden spike in COVID-19 cases in the local villages. Severe roadblocks and clampdown by local police are affecting availability of labor and drivers. Further carting of cargo could be diverted to alternate port location if situation continues. APL Logistics has informed impacted customers of the situation and will update as necessary.
- **Bangladesh:** Bangladesh government has decided to extend the ongoing general holidays through May 30. The ongoing ban on scheduled passenger flight operations to all countries, except China, has also been extended through May 30.
