

CUSTOMER ADVISORY

CYCLONE AMPHAN

May 20, 2020,

Dear Valued Customer,

Cyclone Amphan is expected to make a landfall in the Bay of Bengal in the evening of the date of this Advisory. The maritime ports of Mongla, Payra, Chattogram and Cox's Bazar have been advised to hoist great danger signal numbers as the severe cyclone crosses the affected ports (article [here](#)).

Authorities have suspended operation in all maritime ports including Chittagong port, until further notice. Limited operations at APL Logistics CFS may be suspended if situation gets worse.

Employees' safety and customers' business continuity remain our utmost priorities. We are monitoring the situation and will release further updates should there be any changes.

We thank you for your understanding and please do not hesitate to contact your local APL Logistics office if there are further questions.

Sincerely,
APL Logistics
