Southeast Asia

There are no updates from Southeast Asia today.

South Asia

- **India:** The lockdown restrictions will continue in containment zones* through June 30. For areas outside of the containment zones, lifting of the lockdown will begin in phases (article [here](#)). Please note that the containment zones are periodically changing and updated, refer to below links for further updates. Our current operations remain unchanged. We are monitoring containment zones daily and will work directly with customers in the event of any impact or potential impact.

**A containment zone refers to a specific geographical area where positive cases of coronavirus are found; strict movement restrictions are put in place in such areas to prevent further spread of the virus. For further information on the areas, please see link [here](#).*

Please refer to the [COVID-19 Operational Status Matrix here](#) for most recent detailed regional updates.

Global cases can be tracked [by accessing this live map created by Johns Hopkins University](#).
