

REGIONAL NETWORK UPDATE: GREATER ASIA

June 17, 2020,

North Asia

There are no updates from North Asia today.

Southeast Asia

There are no updates from Southeast Asia today.

South Asia

- **Bangladesh:** The local government has declared a 21-days lockdown in red zones* through July 14, 2020. Offices in yellow and green zones remain open on a limited scale with safety guidelines. All current operations remain unchanged.

*Red zones identified in link [here](#)

- **India:** Tamil Nadu government has announced a complete lockdown in 4 districts, including Chennai from June 19, 2020 through June 30, 2020. APL Logistics Chennai CFS and empty yards will remain operational from 9am to 2pm with limited resources. We have highlighted the A-grade 20ft containers availability issues to carriers and are monitoring the situation closely. Impacted customers have been informed and APL Logistics will update as necessary.

Chennai CFS revised capacity during lockdown period:

CFS	SICAL	Chandra
Handling Capacity per Day (in CBM)	150	200
Labor (persons)	6 to 8	10 to 12
Surveyor Presence	3	5
APLL Team Presence	1	1

Summary of operational status (refer to operational matrix for further details):
