

REGIONAL NETWORK UPDATE COVID-19

REGIONAL NETWORK UPDATE: DALIAN, CHINA

December 21, 2020

Below updates:

- 4 cold-chain workers working with Dalian Port Yidu Cold Chain Co., Ltd have tested positive for COVID-19
- As of date of Advisory, Dalian Terminal is closed until further notice
- Unable to deliver laden containers to CY (port)
- Trucking from Factory to CY (port): We can arrange for trucking from factory, but the laden container will be sitting at depot i/o terminal

All our CFS and other warehouse operations remain operational, while our staff are 100% working in the office.

We are monitoring the situation and will work directly with customers in the event of any potential impact on shipments.

Please refer to the [COVID-19 Operational Status Matrix here](#) for most recent detailed regional updates.

Global cases can be tracked [by accessing this live map created by Johns Hopkins University](#).
