SUSPENSION OF CARGO OPERATIONS DUE TO HEAVY SNOWFALL – DALIAN PORT, CHINA

January 6, 2021

Dear Valued Customer,

The cargo operations at Dalian port have been suspended due to heavy snowfall.

The port has stopped all laden container gate-in since morning as of date of Advisory. Please note the cessation of ship operations for berths #3 – #18. Laden container deliveries will also be delayed.

We will monitor the situation and inform customers if there is any further impact. If you have any further questions or concerns, please contact your APL Logistics Account Manager or local APL Logistics office.

Sincerely,
APL Logistics
