

## DOCKWORKERS STRIKE AT PORT OF MONTREAL SHUTDOWN OF CARGO HANDLING & DOCKING SERVICES

April 27, 2021,

Dear Valued Customer,

You are receiving this advisory because you may have cargo or have cargo scheduled to arrive at the Port of Montreal.

Please be advised that on April 26, 2021, the Port of Montreal [announced](#) that a general strike by CUPE Local 375 dockworkers has resulted in a complete shutdown of cargo handling and docking services normally provided at Port of Montreal terminals. The strike began on Monday morning and continues today. Canadian legislators are meeting today to discuss emergency actions to end the strike.

The following services and terminals are impacted:

- Cast
- Maisonneuve
- Racine
- Viau
- Logistec terminal in Montreal and Contrecoeur (dry bulk)
- CanEst
- Lantic Sugar

For more information, please see this article from CBCNews: [Ottawa tables legislation to send striking Port of Montreal workers back on the job](#)

We are monitoring the situation and will communicate directly with any impacted APLL customers.

If you have any questions or concerns, please contact your APL Logistics Account Manager or local APL Logistics office.

Sincerely,

APL Logistics
