

REGIONAL NETWORK UPDATE: GREATER ASIA

April 8, 2021

Below updates:

- We have seen a spike in the number of COVID19 cases in the regions recently.
- The countries facing a surge in cases include, but not limited to India, Bangladesh, Cambodia, Indonesia, Philippines, etc.
- The local ports, CFS, and offices in these locations remain operational and there is no reported impact on daily operations.

We will continue to monitor the situation and update accordingly. If you have any further questions or concerns, please contact your APL Logistics Account Manager or local APL Logistics office.

Please refer to the [COVID-19 Operational Status Matrix](#) [here](#) for most recent detailed regional updates. You may like to bookmark the link to periodically check for updates with regards to our operations' statuses.

Global cases can be tracked [by accessing this live map created by Johns Hopkins University](#).
