

TYPHOON CHANTHU – NINGBO/ SHANGHAI, CHINA

September 13, 2021

Dear Valued Customer,

As reported by The National Meteorological Center of China, Typhoon Chanthu is bringing strong winds and heavy rainstorms as it passes through the coastal areas along east Zhejiang Province. The port operations in Ningbo and Shanghai are largely impacted. Please expect some delays in vessel calls and departures.

Ningbo

All terminal export laden container gate-in, trucking, and operations have been ceased until further notice.

Shanghai

Starting today:

- The port terminal is closed until further notice.
- Operations at most warehouses, which include container loading / uploading and deliveries will halt once the terminal is closed.

Please refer to our **Operational Status Matrix** [here](#) (*restricted view*) for most recent detailed updates. You may like to bookmark the link to periodically check for updates with regards to our operations' statuses.

We will continue to monitor the situation and send additional updates as needed. If you have any further questions or concerns, please contact your APL Logistics Account Manager or the local APL Logistics office.
