

CHINA – NANJING SITUATION

December 28, 2021

Dear Valued Customer,

There is one new COVID-19 positive case reported in the Yangtze pilotage operation center, and operations at Nanjing port container terminal is impacted. More details are as follows:

Nanjing Port Container Terminal

- The port is temporarily closed.
- The barge vessel operation, terminal gate in and gate out are fully suspended until further notice.
- The export customs inspection is suspended while customs declaration service remains in operations.

Please refer to our **Operational Status Matrix** [here](#) (*restricted view*) for most recent detailed updates. You may like to bookmark the link to periodically check for updates with regards to our operations' statuses.

We are monitoring the situation closely. To overcome this situation, our operation team is working closely with the impacted customers to adjust the cargo delivery schedule until the situation is relieved.

If you have any further questions or concerns, please contact your APL Logistics Account Manager or the local APL Logistics office.

Sincerely,
APL Logistics
