

CUSTOMER ADVISORY

CHINA - ZHEJIANG CITIES SITUATION

December 14, 2021

Dear Valued Customer,

As more COVID-19 positive cases are reported in three Zhejiang cities – Zhenhai in Ningbo, Shangyu in Shaoxing and Xiaoshan in Hangzhou, all delivery cargo to the SHA/NGB has been suspended. Truckers are not allowed to enter Zhen Hai, Shao Xing, or Hangzhou areas to pick up or provide trucking services. Cities in the Zhejiang province, such as Taizhou or Wenzhou, require truckers from Ningbo and Shanghai to give a 48-hour nucleic acid test.

Our operation team is working closely with the customers to adjust the cargo delivery schedule until the situation is relieved.

Please refer to our **Operational Status Matrix** [here](#) (*restricted view*) for most recent detailed updates. You may like to bookmark the link to periodically check for updates with regards to our operations' statuses.

If you have any further questions or concerns, please contact your APL Logistics Account Manager or the local APL Logistics office.

Sincerely,
APL Logistics
