

CHINA – SHANGHAI UPDATES

March 28, 2022

Dear Valued Customer,

Following stricter COVID-19 [measures](#) from the Shanghai government on March 27, the city will be locked down in 2 phases:

Phase I

March 28, 5am – April 1, 5am: East & South areas of Huangpu River (Pudong & Punan Area)

Phase II

April 1, 3am – April 5, 3am: West of Huangpu River Area (Puxi Area)

More updates are as follows:

- All public transportations will shut down during lockdown period
- All enterprises excluding essential services are required to work from home
- Shanghai port, airlines, railways, global passenger, and FCL cargo transportation will maintain their operations
- CFS container stuffing and delivery to port possible with EIR and 48 hours negative nucleic acid test report. Vendors **will not** be able to deliver LCL cargo during the lockdown periods

Please refer to our **Operational Status Matrix** [here](#) (*restricted view*) for most recent detailed updates. You may like to bookmark the link to periodically check for updates with regards to our operations' statuses.

All staff from APLL Shanghai office is working from home. We are monitoring the situation closely, and our operation team has notified all vendors to stop cargo delivery. We are working with the impacted customers and will coordinate directly until the situation is relieved.

If you have any further questions or concerns, please contact your APL Logistics Account Manager or the local APL Logistics office.

Sincerely,
APL Logistics
