

PAKISTAN–AFGHANISTAN BORDER SITUATION

March 2, 2026

Dear Valued Customer,

APL Logistics would like to provide an update on the current security situation along the Pakistan–Afghanistan border following recent escalations in cross-border military activity.

Situation Overview

Since the night of **26 February 2026**, security conditions along the Pakistan–Afghanistan border have deteriorated due to intensified military exchanges between Pakistani forces and Afghan-based elements. Reports indicate continued air and ground operations targeting identified militant positions in border-adjacent regions.

These developments follow a series of earlier incidents involving cross-border engagements and have resulted in heightened security measures in certain areas along the frontier.

Operational Impact

At this time, **there is no impact to APL Logistics' operations or services within Pakistan.**

- All APL Logistics facilities and operations are functioning normally.
- Our teams on the ground remain safe and operational.

APL Logistics is closely monitoring the situation and remains in contact with relevant authorities and partners. Should conditions change and present any potential impact to operations or service delivery, we will communicate further updates accordingly.

Thank you for your continued understanding and cooperation. Should you require further clarification or assistance, please contact your APL Logistics Account Manager or our Customer Service team.

Sincerely,
APL Logistics
